

Volunteers Needed!!

The following is a list of Harrington PTA committees that are currently looking for help. Of course, there will be many opportunities throughout the year to volunteer but the committees listed here are ones where we know we are short on volunteers. Whatever time you can give, whatever skills you can donate will be much appreciated!

Please take a few minutes to fill out the information below. Read through the committees and descriptions and check off any that interest you (remember to check out both sides!). Mail your form to Harrington, send it in with your child or leave it in the tray at PTA Central outside the front office. The information will be passed on to the Committee Chairs and you will be contacted. (PLEASE print your information clearly.)
